Blocks and boats are listed, then each block is broken down, where practicable, into smaller "segments" encompassing the major sections of a block.

List your preferences for each period you are able/willing to do. If you are able to sail more than one consecutive period or an entire block, enter the same preference number and if selected, we will assume you can stay for the time in between periods as well (unless you note otherwise).

If you have a boat preference, simply circle the boat. Each boat will have one OIC (you), one AOIC (an ENS or volunteer) and a rising 1/c skipper and XO.

The Skipper, XO and boat assignments will be posted shortly. If you have a specific Mid you would like to sail with, please list below.
